

COSHH Awareness

Type: Non Accredited

Guided Learning Hours:- 3 hours

Who is the award aimed at?

This qualification is designed to complement the foundation course in basic Health and Safety at work. It is aimed at those who use substances hazardous to health at work and introduces students to the hazards associated with those substances, the risks, the controls available and what to expect from a C.O.S.H.H assessment.

What Can Students Expect to Learn?

Successful completion will prepare students to look carefully at their own work activities and contribute to the safer use of hazardous substances in co-operation with their managers and supervisors.

How is it assessed?

Assessment of the delegate's progress will be by classroom based workshops.
