

Level 2 Award in Food Safety for Manufacturing

Type: QCF

Guided Learning Hours:- 1 Day

Who is the award aimed at?

The Level 2 Award in Food Safety for Manufacturing is targeted at those who work in all areas of the food and drink manufacturing sectors.

This award is also ideally suited to people who need to enter food premises as part of their work, e.g. equipment maintenance engineers, off-site business owners/managers and delivery personnel. The aim of this qualification is to provide a basic knowledge of food hygiene.

What Can Students Expect to Learn?

Holders of this qualification will have knowledge and understanding of the importance of food hygiene, associated food hazards, good hygiene practice and controls based upon an awareness of food safety management systems. Holders will know how to maintain good practice in the handling, processing and preparation of safe food.

How is it assessed?

The award is usually delivered over one day and is assessed by multiple choice examination: 30 questions to be answered in 40 minutes. This award is on the QCF (Qualification and Credit Framework)
