

Level 2 COSHH

Type: CPD Level 2 Accredited Award

Guided Learning Hours:- Half Day

Who is the award aimed at?

This half-day course is designed to act as an introduction to Control of Substances Hazardous to Health (COSHH) legislation. It gives learners the knowledge to recognise the risks associated hazardous substances and how to control them. enabling delegates to understand the importance of HACCP based food safety management systems.

What Can Students Expect to Learn?

It is expected that the delegate will understand:-

- The forms of chemical and biological hazards.
- The classification of substances.
- Routes of entry into the body.
- Health aspects of specific agents.
- The role of COSHH.
- Workplace exposure limits.

How is it assessed?

Assessments of the delegate's progress will be the successful completion of classroom based activities documented in the course notes and a Highfields multiple choice exam.

Course Venue:-

Training can be held on-site or at our purpose built training academy at our Warrington HQ.

Please contact our training team using UK-foodacademy@christeyns.com or via your Technical Sales Manager.
